## PROJECT DETAILS

PROJECT TITLE	:	<b>Training &amp; Development</b>
PROJECT DURATION	:	45 DAYS
COMPANY	:	Anantha PVC Pipes PVT LTD, Anantapur

### PROJECT DISCRPTION:

It is one type of management function that will be used by the Professional Training & Development department in the organization to improve the performance of the employees for doing a particular job. In my project, I studied the methods used in T & D, & analyzed whether the employees are satisfied with the current training methods. This study gives some suggestions for making the present training and development system more effective. It gives organization the direction, how to deal differently with different employees.
